

Application No.: 09/504,660  
Response dated August 7, 2003  
Reply to Office Action of May 9, 2003

**REMARKS/ARGUMENTS**

Reconsideration and re-examination are hereby requested.

Claims 18-30 are allowed.

Claim 33 is objected to.

Claims 31, 32 and 34 stand rejected as under 35 U.S.C. 103 as being unpatentable over Hur et al (Ultralinear Doubled Pulse doped AlInAs/GaAs/P HEMPTs) in view of Onda (USP 6,194,747).

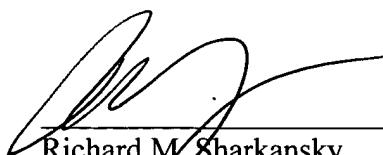

With regard to the rejections of Claims 31, 32 and 34, it is noted that included with the response mailed January 29, 2002 was a declaration under 357 CFR 1.131 showing completion of the invention claimed in claims 31, 32 and 34 prior to September 29, 1997. It is respectfully submitted therefore that Onda is not a reference under 35 USC.

In the event any additional fee is required, please charge such amount to Patent and Trademark Office Deposit Account No. 50-0845.

Respectfully submitted,

8-7-03
